

Common Job Search Terms

Keywords to start your online job search

Searching for jobs is all about casting a wide net. We recommend that you spend time on common job sites like [Indeed](#), [Glassdoor](#), and [Google for Jobs](#), using common job search terms to help you find IT support roles. (See example searches on these sites below.) Here are some search terms to get you started:

- Technical Support Specialist
- IT Help Desk
- Help Desk
- IT Technician
- IT Support Specialist
- Computer User Specialist
- IT Helpdesk Technician
- Computer Support
- Technical Support Specialist, Level 1
- IT Assistant

Now, try plugging them into job sites:
